PS-126

Featuring the Rebecca Baer® stencil "Organic Arbor" ST-617 (Sm)
& "Bloom where you are planted" rubber stamp

This card is created using lime green cardstock. Create the stenciled panel from painted watercolor paper. Use strong coordinating hues that harmonize with the cardstock (I use Mission Gold w/c). Place the Organic Arbor stencil over the painted w/c paper. Stencil and emboss with clear embossing powder. When cool use a damp #2 stenciler to lift color from the non-embossed areas. Wipe the brush on a paper towel as needed.

Stamp the text on red violet cardstock and emboss with lime embossing powder. Trim in a pennant shape.

Assemble the layers as shown.

Finished card size 4.25" x 5.5" (top-fold)
